If you're new to the world of Apple, an old Machead from years back, or even a frustrated Windows user, you will find something interesting and entertaining at each of our meetings. Our meetings are fun and informative, with topics presented covering the range from beginner to advanced.

Our focus is on Apple products, but we often also look at other new technologies not specific to the Apple platform, ranging from computer security to Internet telephony to changes in the industry to neat new tech gadgets of interest to everyone.

All Apple products are fair game at our meetings: iPad, iPhone, iPod, Apple TV, Apple Watch and Macs of all sizes, as well as the huge world of Apple software, hardware and accessories.

Subject: Your Amazon.com Associates Account - daringfirebal-20

Dear Associate,

Your Associates account has come up for review in connection with our ongoing monitoring of the Amazon Associates Program. During our review, we have determined that you are not in compliance with the Operating Agreement that governs your participation in the Associates Program and your Associates Program account has been closed. You will not receive further payment of advertising fees.

You are not in compliance because you are encouraging customers to bookmark your Amazon links, as opposed to clicking through your website to reach Amazon. This is not the intent of the Associates Program. Section 7 of the Operating Agreement states that a "Qualifying Purchase" occurs when a customer clicks through a Special Link on your site to the Amazon Site. Purchases resulting from clicks through bookmarked links do not fit this criteria.

You can find the complete terms of the Operating Agreement, including the Participation Requirements and Linking Requirements, via this link: https://affiliate-program.amazon.com/gp/associates/agreement.

We ask that you immediately remove all Amazon Content from your site(s). Any other accounts you have or may open in the future may be closed and you will not receive any advertising fees. We reserve all other rights and claims we may have.

We appreciate your understanding in this matter.

Warmest Regards,
